

Republic of the Philippines
DEPARTMENT OF ENERGY
(Kagawaran ng Enerhiya)

ADVISORY

This is to inform all stakeholders that the Department of Energy (DOE) has implemented alternative work schemes such as a skeletal workforce and work-from-home setup for its employees, in compliance to the Office of the President's directive as precautionary measures amidst the country's current State of Public Health Emergency due to the Corona Virus Disease - 2019 (COVID-19).

The DOE Alternative Work Schemes will be implemented from 16 March to 14 April 2020. Please note that our office hours will be from 8:00 AM to 4:30 PM, for the safety of our skeletal workforce, in line with the implemented curfew.

Nonetheless, the DOE remains committed to provide service to the people and is ready to address all immediate energy concerns during this period. We therefore encourage our stakeholders, taking into consideration social distancing, to send energy concerns to DOE's official mobile numbers of Bureaus/Offices and emails (please see attached email list).

The DOE, along with the whole government, wishes for the safety of everyone. We will try our best to ensure that energy services will be delivered by the whole energy industry, as efficient as possible, despite the scenario we are facing in until we reach normalcy.

ALFONSO G. CUSI
