Consulting for Attorneys, Mediators, Guardian ad litems, & Mental Health Professionals

Professionals Guidance from 20+ Years in Divorce Resolution & Behavioral Health

This service is for attorneys, mediators, therapists, counselors, and other professionals seeking to enter or expand in mediation, collaborative divorce, GAL investigations, or divorce-related substance use services.

Helping You Build a Profitable, Sustainable Practice

With over two decades as a divorce attorney, mediator, GAL, and Certified Alcohol & Drug Counselor (CADC), I help professionals:

- *Launch a mediation, collaborative divorce, or GAL practice with confidence*
- *Integrate behavioral health expertise into family law and mediation services*
- *Learn best practices for Guardian ad Litem investigations & services*
- *Develop profitable fee structures and clear client boundaries*
- *Build referral networks that bring in the right cases*
- *Avoid common mistakes that drain time and energy*

What You'll Gain

- *Practice Launch & Positioning: Define your niche, service offerings, and target market*
- *Client Screening & Intake Systems: Proven methods to identify ideal clients and avoid misaligned cases*
- *Pricing & Packaging: Create flat-fee or hourly models that align with your goals*
- *Marketing & Referral Strategies: Grow without high advertising costs*
- *Ethics & Boundaries: Maintain professionalism in high-conflict, high-emotion cases*

5-Hour Flat Fee Package – \$2,250 Includes:

- *Five hours of one-on-one consulting via Zoom or phone (scheduled in flexible increments)*
- *Customized action plans after each session*
- *Select templates, sample documents, and resources from my 20+ years in the field*
- *Email follow-up between sessions for quick questions and accountability*
