New Laws for Employees Affected by Coronavirus!

On March 14, 2020, the U.S. House of Representatives passed the Families First Coronavirus Response Act (FFCRA, H.R. 6201), in part to expand protections for employees affected by the Coronavirus (COVID-19) pandemic. Yesterday, the Senate passed the FFCRA by a vote of 90-8.

Before HR 6201 can take effect, it must be signed by President Trump, but the expectation is that he will sign quickly and the added protections will take effect within a couple of weeks.
