CARE COORDINATION

A COORDINATED PLAN
CAN BRING PEACE OF MIND

Schluter & Hughes
LAW FIRM PLLC

EVERY LIFE
IS A JOURNEY
THAT NEEDS
A VILLAGE TO
SUPPORT IT

We are a law firm built around good people doing good work. Our dedicated professionals, in the areas of Estate Planning, Elder Law, Probate, Estate & Trust Administration, Care Coordination, and Fiduciary Tax & Accounting, are ready to help. We recognize everyone has a unique set of circumstances. This is why we are set up as a boutique style firm. And like a personal concierge, we offer customized service. A coordinated effort means better outcomes for our clients.

HOLISTIC LIFE PLANNING
Estate planning is holistic life and legacy planning – looking at the full picture of someone’s personal, tax, financial, and charitable goals to proactively create support systems when life transitions occur, at any age.

Our team of professionals work together to prepare tailored estate plans as well as ongoing legal, tax and care coordination support. When life happens, you can call us to help navigate through its complexities.

OUR CONTINUUM LIFEPLAN
At Schluter & Hughes Law Firm, PLLC we use our custom model called Continuum Life-Plan to help families understand the natural progression of aging. We look at how long-term illness impacts a loved one’s health, mobility, housing, and financial resources. We create customized plans that allow for growth and change. Planning for the future means planning for the “what-ifs” to ensure that an emergency action plan is in place if something happens. Knowing you have a team of professionals available to discuss life changes and transitions allows for peace of mind.

CARE COORDINATION
Care coordinators are specialists in issues relating to aging and elder care. They provide

personalized support to promote safety and preserve personal independence. The goal is to understand a person’s needs and preferences so that it may be communicated at the right time to the right people, to provide safe, appropriate, and effective care. We are here to help every step of the way.

CONTINUUM LIFEPLAN PORTFOLIO
Our clients work with a dedicated coordinator and team of experts to help guide and create a customized plan based on their unique situation. The portfolio serves as a centralized record keeping system tailored for each person’s specific needs and can include an Estate Plan, Care Coordination Plan and Emergency Care Plan.

The goal of care coordination is to understand a person’s needs and preferences so that it may be communicated at the right time to the right people, to provide safe, appropriate, and effective care.

WITH A CENTRALIZED
RECORD KEEPING SYSTEM,
WE COMMUNICATE WITH
YOUR ENTIRE TEAM
TO ENSURE BETTER
CONTINUUM OF CARE

IN AN EMERGENCY, YOU WANT THE RIGHT PLAN & THE RIGHT PEOPLE IN PLACE TO MANAGE A LOVED ONE'S CARE

CARE COORDINATION PLAN

Now you can have a centralized place, and a care coordination team, to help manage your loved one's care and ability to share important medical information with the entire care team.

EMERGENCY CARE PLAN

Getting the best possible care during a medical emergency often depends on being ready. We put together an action plan and provide a take-with binder that travels to the hospital with you.

HEALTHCARE INFORMATION

Keep your information safe and secure and keep all your information in one place. With our CLP customized health information system your important healthcare records will be up-to-date and HIPPA compliant.

You are able to grant permission to selected family members and friends to access your specific health related information. Your medications, insurance cards,

doctors' offices and preferred hospitals will be current and easy to access. Any changes in medication or health status can be updated by a Schluter & Hughes care coordinator thereby providing a current and up-to-date profile of information.

Our care team acts as a liaison to coordinate communicate and facilitate care needs in emergency situations as well as in daily life care. What a relief!
