

CARE COORDINATION PLAYS A KEY ROLE FOR OLDER ADULTS & FAMILIES

A CARE COORDINATOR MAY BE THE RIGHT DECISION FOR YOU & YOUR LOVED ONES

- ✔ Baby Boomers aging alone find themselves needing support
- ✔ Many family caregivers are struggling to balance raising children and caring for parents
- ✔ Our Care Coordinators are specialists in issues related to aging and elder care, and provide specialized support
- ✔ You and your loved ones may need assistance because current living environment is becoming overwhelming
- ✔ Our goal is to understand and communicate your needs to the right people at the right time

WHAT A CARE COORDINATOR FROM OUR FIRM CAN DO FOR YOU

- ✔ Help schedule, organize, and attend doctor appointments with you
- ✔ Act as a liaison between yourself, your family, and your providers
- ✔ Help you stay in your home safely, perform a geriatric assessment to identify potential problems and solutions
- ✔ Arrange and oversee home care and support services for you
- ✔ Assist you with medical challenges and their related legal and financial issues
- ✔ Medical record collection and ready access to key information in the event of need
