## YOUR HOME, YOUR TERMS MAKE A PLAN FOR LIVING INDEPENDENTLY

Over 77% of adults 50+ want to remain in their homes for as long as possible but fewer than one-third have taken steps to ensure their home is suitable. Aging in place is more than just staying in the home you love – it's about maintaining independence, safety, and quality of life as you age.

Our professional Care Coordinators are reliable resources for you and your family. We help to reduce stress while ensuring your home is safe and you receive the care you deserve. We can provide services tailored to your unique situation.

Pricing begins at \$250 for an initial assessment consultation and report. Contact us for details or to schedule an appointment.

### COMPREHENSIVE HOME ASSESSMENT INCLUDES:

- ✔ Review of Medical History
- ✔ Medication Management
- ✔ Home Safety Evaluation
- ✔ Emergency Preparedness
- ✔ Support Services and Community Resources
- ✔ Advance Care Planning for Medical Emergencies and End of Life
