Case No. 26-cv-03215

Judge Jorge L. Alonso

Magistrate Judge Heather K. McShain

**ORDER FOR LEAVE TO CONDUCT EXPEDITED DISCOVERY AND SERVICE OF
PROCESS BY E-MAIL AND/OR ELECTRONIC PUBLICATION**

Plaintiff Juanren Wu (“Plaintiff”) filed an *ex parte* Motion for Entry of an Order for leave to conduct Expedited Discovery and for Alternative Service of Process Pursuant to Fed. R. Civ. P. 4(f)(3) (the “Motions”) against the fully interactive, e-commerce stores operating under the seller aliases identified in the Amended Schedule A to the Amended Complaint and attached hereto (the “Defendants”) and using at least the online marketplace account identified in the Schedule A to the Complaint (the Defendant Internet Stores”). After reviewing the Motions and the accompanying record, this Court GRANTS Plaintiff’s Motions as follows:

The Court finds that issuing this Order without notice pursuant to Rule 26(d)(1) of the Federal Rules of Civil Procedure is appropriate because Plaintiff has presented specific facts in support of the Motions demonstrating that Plaintiff will otherwise be unable to properly serve Defendants without the requested leave. Specifically, an *ex parte* Order for discovery of Defendants’ sales records, financial accounts, and e-mail addresses is necessary so that Defendants

can be served with notice to conserve judicial resources and proceed to the merits of this case. Accordingly, this Court orders that:

1. The third party platforms, including but not limited to Amazon, Amazon Pay, Payoneer, Paypal, Stripe, LianLian Global, LL Pay U.S., LLC, and Lianlian Yintong Electronic Payment Co. Ltd. (“LianLian”) and PingPong, are hereby required to comply by assisting to identify all accounts involved in the Defendants’ alleged infringement scheme and provide Plaintiff with information necessary to permit it to comply with this Court's order authorizing alternate service of process. The discovery shall be limited to:

- (i) all information, financial accounts and/or sub-accounts, associated with the Internet based e-commerce stores operating under the Seller ID identified on the Schedule “A” to the Complaint in this action;
- (ii) all other accounts which transfer funds into the same financial institution account(s) or any of the other financial accounts subject to this action;
- (iii) an accounting of all funds restrained and identify the financial account(s) and sub-account(s) which the relevant accounts are related to;
- (iv) the account transactions related to all funds transmitted into the financial account(s) and sub-account(s) subject to this action;
- (v) the true identities including names, addresses, email addresses, and IP addresses, of each person who registered, are listed in, logged into, used, or who otherwise handled or is associated with the financial/payment processing accounts of Defendants;
- (vi) the full list of stores and associated financial/payment processing accounts opened, operated by, or at any time used by the Defendants.

The discovery request here seeks only to obtain information to identify the Defendants and the accounts used in the infringement in order to properly serve Defendants with notice of this action and any scheduled preliminary injunction hearing.

2. In addition to other methods authorized by law, Plaintiff may provide notice of these proceedings to third parties by delivery of this Order and other relevant documents to the Online Marketplace platforms and/or Third Party Service Providers by email service.

3. Pursuant to Federal Rule of Civil Procedure 4(f)(3), the Plaintiff may serve Defendants via email and electronic publication, which are methods of service reasonably calculated to provide notice under the circumstances of this case. Plaintiff may provide notice of these proceedings to third parties by delivery of this Order and other relevant documents to the Online Marketplace platforms and/or Third Party Service Providers by email and website posting.

5. Plaintiff may demand discovery directly on Defendants prior to a Rule 26 conference and within ten days, receive Defendants' responses under oath.

6. This Order, including but not limited to discovery, shall apply to the Seller ID, associated ecommerce stores and websites, and any other seller identification names, e-commerce stores, domain names, websites, or financial accounts which are being used by Defendants for the purpose of infringing the Plaintiff's Design Patent at issue in this action.

7. The Clerk of the Court is directed to issue a single original summons in the name of "Rockyee and all other Defendants identified in the Amended Schedule A to the Amended Complaint" that shall apply to all Defendants. The combination of providing notice via electronic publication and e-mail, along with any notice that Defendants receives from payment processors, shall constitute notice reasonably calculated under all circumstances to apprise Defendants of the pendency of the action and afford them the opportunity to present their objections.
