

Legal Services Subscription

Legal Services Subscription

*Practical legal support for
regulated organisations*

01 Core Compliance & Governance

Policy reviews aligned with regulatory obligations, including banking, privacy, AML/CTF and complaints handling requirements.

02 Lending, Credit & Accounts

Advice on NCCP and responsible lending obligations, credit reporting compliance, and AFSL/ACL documentation for transaction accounts.

03 Disclosures & Customer Documents

Support with PDSs, terms and conditions, customer disclosures, and review of marketing materials for ASIC and ACCC compliance.

04 People, Disputes & Breaches

Advice on simple HR matters, internal disputes and AFCA complaints, breach assessments and reporting obligations.

05 AML & Privacy

AML Program support, privacy impact assessments, and advice on data handling and information security practices.
